Description :

PDF-6759a | Practice management is often misunderstood. The Advisor Playbook will take the mystery away. Practice management is confused with marketing, or is limited to strategizing about branding, or simply equated to old-school salesmanship. Practice management is how you build an organized toolbox of all your processes – branding, marketing, service activities, core functions – and constantly tune an... *The Advisor Playbook: Regain liberation and order in your personal and professional life*
