Description :

PDF-3a419 | About two hundred years ago, largely as a result of Adam Smith's *Wealth of Nations*, free trade achieved an intellectual status unrivaled by any other doctrine in the field of economics. What accounts for the success of free trade against then prevailing mercantilist doctrines? And how well has free trade withstood various theoretical attacks that have challenged it since Adam Smith's time? In this... *Against the Tide: An Intellectual History of Free Trade*
