Description :

PDF-df5e7 | Each business day, some 35,000 executives, scientists, consultants, and lawyers pass through the nation's airports to destinations across the globe. They carry, along with proprietary documents and computer files, the latest in personal electronic gear. However, carefully watching most of those travelers—beginning the moment they arrive at the airport and often sooner—are uncounted numbers o... *Among Enemies: Counter-Espionage for the Business Traveler*
