Description :

PDF-eb8f3 | Asia was probably the biggest economic sensation of the post-war decades. The breathtaking success of Japan was followed by a remarkable rise of "four tigers", then ASEAN founder states and then China. The Asian miracle became a commonly accepted definition of this success. In the late 1970s and especially 80s it became clear that the balance of power in the world had changed. Politicians, business... *Asia's Turning Point: An Introduction to Asia's Dynamic Economies at the Dawn of the New Century*
