Description :

PDF-0d19d | From one of our most influential journalists, here is a timely, vital, and illuminating account of the next stage of China's modernization—its plan to rival America as the world's leading aerospace power and to bring itself from its low-wage past to a high-tech future. In 2011, China announced its twelfth Five-Year Plan, which included the commitment to spend a quarter of a trillion dollars t... *China Airborne*
