Description :

PDF-a881f | In the last two decades, free markets have swept the globe. But traditional capitalism has been unable to solve problems like inequality and poverty. In Muhammad Yunus' groundbreaking sequel to *Banker to the Poor*, he outlines the concept of social business—business where the creative vision of the entrepreneur is applied to today's most serious problems: feeding the poor, housing the homeless, h... *Creating a World Without Poverty: Social Business and the Future of Capitalism*
