ISBN : #1938218159 | Date : 2017-03-15

Description :

PDF-87ea4 | The problems of U.S. health care are of intense public interest today. The debate over where to go next to rein in costs and improve access to quality health care has become bitterly partisan, with distorted rhetoric largely uninformed by history, evidence, or health policy science. Based on present trends, our expensive dysfunctional system threatens patients, families, the government, and taxpayer... *Crisis in U.S. Health Care: Corporate Power vs. The Common Good*
