Description :

PDF-23b4d | This book is not about what women should do, and it's not a preachy TEDTalk. Disrupters shows what different women in business have done to reach success as they define it. From board members to CEOs to freelancers, the business world is stacked against women because they follow the unspoken rules of business culture made long before women entered the workforce. Tech executive, board member, an... *Disrupters: Success Strategies from Women Who Break the Mold*
