Description :

PDF-6af02 | The recent focus on China's boom has obscured the fact that Japan is once again on the rise. How do we manage our growing, and crucial, interdependence? The answer lies in the legions of Japanese and American managers and officials involved in the day-to-day and face-to-face negotiations that drive commerce. Opportunities for U.S. companies in Japan remain strong if businesspeople can learn to con... *Doing Business with the New Japan: Succeeding in America's Richest International Market*
