ISBN : #0691101752 | Date : 1985-10-01

Description :

PDF-09d3a | A nuclear world desperately in need of alternatives to military force demands better understanding of all techniques of statecraft. In this book David A. Baldwin draws on social power analyses to develop an analytic framework for evaluating such techniques, and uses it to challenge the conventional view that economic tools of foreign policy do not work. Integrating insights from economics, politica... *Economic Statecraft*
