Description :

PDF-6eece | In this significant Marxist critique of contemporary American imperialism, the cultural theorist Randy Martin argues that a finance-based logic of risk control has come to dominate Americans' everyday lives as well as U.S. foreign and domestic policy. Risk management—the ability to adjust for risk and to leverage it for financial gain—is the key to personal finance as well as the defining el... *An Empire of Indifference: American War and the Financial Logic of Risk Management (a Social Text book)*
