Description :

PDF-4efed | The Feeling of Risk brings together the work of Paul Slovic, one of the world's leading analysts of risk, to describe the extension of risk perception research into the first decade of this new century. In this collection of important works, Paul Slovic explores the conception of 'risk as feelings' and examines the interaction of feeling and cognition in the perception of risk. He also examines th... *The Feeling of Risk: New Perspectives on Risk Perception (Earthscan Risk in Society)*
