Description :

PDF-eefaf | Conventional wisdom holds that programs for the poor are vulnerable to instability and retrenchment. Medicaid, however, has grown into the nation's largest intergovernmental grant program, accounting for nearly half of all federal funding to state and local governments. Medicaid's generous open-ended federal matching grants have given governors a powerful incentive to mobilize on behalf of its... *Financing Medicaid: Federalism and the Growth of America's Health Care Safety Net*
