Generalized Linear Models for Insurance Data (International Series on Actuarial Science) PDF

by Piet de Jong : **Generalized Linear Models for Insurance Data (International Series on Actuarial Science)**

ISBN : #0521879140 | Date : 2008-03-17

Description :

PDF-8c949 | This is the only book actuaries need to understand generalized linear models (GLMs) for insurance applications. GLMs are used in the insurance industry to support critical decisions. Until now, no text has introduced GLMs in this context or addressed the problems specific to insurance data. Using insurance data sets, this practical, rigorous book treats GLMs, covers all standard exponential family... *Generalized Linear Models for Insurance Data (International Series on Actuarial Science)*
