: **Globalisation: A Calculus of Inequality, Perspectives from the South**

ISBN : #9766370192 | Date : 2000-01-01

Description :

PDF-fa9a0 | The question of globalisation - how it should be defined and what are its implications for the developing countries - is a recurring theme in policy discussions at the national, regional and international levels, given the importance of the phenomenon and its role in shaping contemporary international economic relations. Drawing on papers presented at, and written specifically for, the international... *Globalisation: A Calculus of Inequality, Perspectives from the South*
