Description :

PDF-4fa1e | Published originally in 1990 to critical acclaim, Robert Wade's *Governing the Market* quickly established itself as a standard in contemporary political economy. In it, Wade challenged claims both of those who saw the East Asian story as a vindication of free market principles and of those who attributed the success of Taiwan and other countries to government intervention. Instead, Wade turned atte... *Governing the Market: Economic Theory and the Role of Government in East Asian Industrialization*
