Description :

PDF-c2884 | International Financial Management combines the fundamental concepts of international finance with solid practical applications. This combination has made it the book of choice at a variety of institutions, including top business schools such as Wharton, Stanford, Northwestern, and INSEAD. Neither superficial nor overly theoretical, Eun and Resnick's approach offers a conceptually solid, yet still... *International Financial Management (McGraw-Hill/Irwin Series in Finance, Insurance, and Real Est)*
