ISBN : #069113569X | Date : 2008

Description :

PDF-e87d4 | The field of international political economy gained prominence in the early 1970s--when the Arab oil embargo and other crises ended the postwar era of virtually unhindered economic growth in the United States and Europe--and today is an essential part of both political science and economics. This book offers the first comprehensive examination of this important field's development, the contrasting... *International Political Economy: An Intellectual History*
