Description :

PDF-b0b7d | One of the most difficult problems facing Western democracy today is the decline in citizens' political engagement. There are many elements that contribute to this, including fundamental socio-cultural changes. The book summarizes these contexts and situates itself within them, while focusing on the media's key role in shaping the character of civic engagement. In particular, it examines the new i... *Media and Political Engagement: Citizens, Communication and Democracy (Communication, Society and Politics)*
