Description :

PDF-24d37 | If everyone wants to live happy and successful lives, then why do so few achieve it? This simple question launched an exhaustive study into the commonalities of the world's happiest and most successful people. We spent thousands of hours analyzing research and conducting our own. We tracked down and interviewed over 400 highly successful people. We combed through over 200 biographies and best-... *The 7 Mindsets: Updated Worldwide Edition: To Live Your Ultimate Life*
