Description :

PDF-eaa07 | That person slumped over her cell phone is disengaged, isolated, lost in her own little world, right? Wrong, says SC Moatti. She's highly engaged - she's having a text conversation with a friend in Europe, playing a game with another, and looking for a good place to go to dinner with a third. Mobile technology has become such an integral part of how we interact that for many people, losing a cell ... *Mobilized: An Insider's Guide to the Business and Future of Connected Technology*
