Modelling Extremal Events: for Insurance and Finance (Stochastic Modelling and Applied Probability) PDF

by Paul Embrechts : **Modelling Extremal Events: for Insurance and Finance (Stochastic Modelling and Applied Probability)**

ISBN : #3540609318 | Date : 2011-10-12

Description :

PDF-36f80 | "A reader's first impression on leafing through this book is of the large number of graphs and diagrams, used to illustrate shapes of distributions...and to show real data examples in various ways. A closer reading reveals a nice mix of theory and applications, with the copious graphical illustrations alluded to. Such a mixture is of course dear to the heart of the applied probabilist/statistician... *Modelling Extremal Events: for Insurance and Finance (Stochastic Modelling and Applied Probability)*
