Description :

PDF-c2196 | 90 miles off the coast of Florida a new revolution is afoot. This time instead of guerillas marching through the streets of Havana, it is a global economy that will revolutionize Cuba. Now open to the world, how will this nascent economy develop? Open for Business: The Cuban Economy after Castro, Richard Feinberg's new book, examines the Cuban economy from its long held and outdated economic mode... *Open for Business: Building the New Cuban Economy*
