Description :

PDF-bcea1 | Because parents must work outside the home, there will always be a demand for childcare. According to the Bureau of Labor Statistics, in 64 percent of married-couple families, both husband and wife work outside the home. There are nearly 12 million children under the age of five in child care each week in the United States. With concerns about quality child care, the trend is to move away from lar... *How to Open & Operate a Financially Successful Child Care Service: With Companion CD-ROM*
