Description :

PDF-3d715 | While operational risk has long been regarded as a mere part of "other" risks--outside the realm of credit and market risk--it has quickly made its way to the forefront of finance. In fact, with implementation of the Basel II Capital Accord already underway, many financial professionals--as well as those preparing to enter this field--must now become familiar with a variety of issues related to op... *Operational Risk: A Guide to Basel II Capital Requirements, Models, and Analysis*
