Description :

PDF-86ca6 | The concept of risk is an outgrowth of our society's great concern about coping with the dangers of modern life. The Perception of Risk brings together the work of Paul Slovic, one of the world's leading analysts of risk, risk perception and risk management, to examine the gap between expert views of risk and public perceptions. Ordered chronologically, it allows the reader to see the evolution of... *The Perception of Risk (Risk, Society and Policy)*
