Description :

PDF-9d75c | This book outlines how we got to where we are with health care in the United States and a path to solving the cornerstone issues of availability and cost. Important to note: Complex problems, don't necessarily require complex solutions. Looking for the government to be the solution provider to the problems they cause is pure folly and this book will demonstrate how health care may be the prime exa... *Prescription for a Cure: The Disease of Obama Care*
