Description :

PDF-5f1b3 | Every decision maker faces one brutal question: What do you do when the crisis hits? Such situations can be explosive; they call for specific answers in frighteningly complex situations where the very frame of reference seems to crumble. Crisis management is very complex and it is a world that has barely been explored, let alone charted. Crisis Management develops a broad strategic approach to ste... *Preventing Chaos in a Crisis: Strategies for Prevention, Control and Damage Limitation*
