Description :

PDF-500ab | In 1895 an English farmer diverted the course of a stream that was flowing through his land, thereby cutting off the supply to the water reservoir of the neighboring community. The courts established that it had been his purpose to "injure the plaintiffs by carrying off the water and to compel them to buy him off." Regardless of what the law says, most people will feel that the farmer's intentions... *The Right to Exploit: Parasitism, Scarcity, and Basic Income*
