ISBN : #0123964962 | Date : 2013-09-13

Description :

PDF-0d8dc | Current safety and risk management guidelines necessitate that organizations develop and formally manage their understanding and knowledge of the standards and protocols of risk management. The impact of communication and human performance on the identification and control of hazards and associated risk must be addressed in a structured manner. This core reference provides a complete guide to crea... *Safety Culture: An Innovative Leadership Approach*
