Description :

PDF-4b3ba | Too often, books intended to help advance insurance professionals' careers are thinly disguised general sales theory, containing programs and advice drawn from the latest pop psychology. Such books are rarely written by industry insiders, and while they loudly tell you what you need to do, they never tell you how. It's time to change this unhelpful dynamic. Written by award-winning retail insu... *Shock the Topline: A Practical Guide for Growing Your Insurance Practice*
