Description :

PDF-2162a | An insightful, practical guide to e-commerce in emerging markets--and how to profit from their explosive boom. From China to India to Nigeria, e-commerce is entering a golden era in countries that were long left out of the e-commerce gold rush experienced in the West. If the story of the first twenty years of e-commerce's growth was set in developed markets, the story of the next twenty years wil... *Six Billion Shoppers: The Companies Winning the Global E-Commerce Boom*
