Description :

PDF-100eb | How maverick companies have passed up the growth treadmill — and focused on greatness instead. It's an axiom of business that great companies grow their revenues and profits year after year. Yet quietly, under the radar, a small number of companies have rejected the pressure of endless growth to focus on more satisfying business goals. Goals like being great at what they do, creating a great pl... *Small Giants: Companies That Choose to Be Great Instead of Big, 10th-Anniversary Edition*
