ISBN : #9780230521285 | Date : 2009-12-15

Description :

PDF-93b67 | The third edition of this highly regarded textbook on international political economy shows how globalization is not a novel phenomenon but a recurrent process whereby markets have, since the 16th century, periodically redistributed economic activity. Taking into account the new rise of Asia and the global financial crisis originating in the US housing finance system, this revised and updated edit... *States Versus Markets: The Emergence of a Global Economy*
