by Roger E. Millsap : **Statistical Approaches to Measurement Invariance**

ISBN : #1848728190 | Date : 2011-04-14

Description :

PDF-dacd1 | This book reviews the statistical procedures used to detect measurement bias. Measurement bias is examined from a general latent variable perspective so as to accommodate different forms of testing in a variety of contexts including cognitive or clinical variables, attitudes, personality dimensions, or emotional states. Measurement models that underlie psychometric practice are described, includin... *Statistical Approaches to Measurement Invariance*
