Description :

PDF-544a8 | We live in the Information Age, and much of that information comes to us in the form of numbers. But before numerical information can be useful it must be analyzed, interpreted, and assimilated. Unfortunately, teaching the techniques for making sense of data has been neglected at all levels of our educational system. As a result, through our culture there is little appreciation of how to effective... *Understanding Variation: The Key to Managing Chaos*
