Description :

PDF-d6bca | This book aims to overcome the limitations the variations in bank-specifics impose by providing a bank-specific valuation theoretical framework and a new asset-side model. The book includes also a constructive comparison of equity and asset side methods. The authors present a novel framework entitled, the “Asset Mark-down Model”. This method incorporates an Adjusted Present Value model, whic... *Valuing Banks: A New Corporate Finance Approach (Palgrave Macmillan Studies in Banking and Financial Institutions)*
