Description :

PDF-58e94 | World Poverty provides a general summary of world poverty at the beginning of the 21st century, then an introduction to modern world system theory and its attempts to explain world poverty and inequality. Separate chapters contain an overview of poverty in Africa, Latin America, and then Asia. Remaining chapters offer explanations for why some countries in the world (mostly in Asia) have become ri... *World Poverty: The Roots of Global Inequality and the Modern World System*
